

Peak School Art Exhibition 2008

“Art is Us”

“This year the exhibition is bigger and better than ever and I hope you enjoy the wide range of art on display. I know you will appreciate the skills of our young artists that are reflected in the work.

I am delighted that art, craft and design continues to flourish at Peak School. It is important to all of us at the school that our curriculum provides opportunities for children to experience success in a broad range of activities. A strong art programme helps us ensure one aspect of that breadth. Art lessons in the school are a joy to watch. The children are invariably engaged and enthusiastic in their learning, enjoy trying out new skills and techniques and the atmosphere in the classroom is positive and supportive. These qualities are reflected in the work on display here.”

- Perry Tunesi, Principal, Peak School

Who:

Pupils of Peak School
